## QUALITY

With over 30 years of experience in the automotive aftermarket industry, United Pacific Industries understands the rigors and stresses that our products are subjected to on the road. It is our mission to provide our customers with products of superior quality and reliability. In achieving this goal, United Pacific only partners with manufacturing facilities that conforms to our quality control requirements and standards. Our manufacturing partners meet or exceed ISO-9001 requirements. In addition, United Pacific's manufacturing partners must be equipped on site to perform the following quality assurance tests and maintain a track record of consistent quality and low product failure rate.

- Aging Test
- Air Tight Test
- Dust Test
- Flux Test
- Photometric Test
- Pull Force Test
- Rain Test
- Salt Spray Test
- Shock Test
- Temperature Test
- Humidity Test
- Vibration Test

Furthermore, our internal quality control structure allows us to function as the final quality control station prior to shipping. With the assistance of 3D computer technology, United Pacific can adhere to strict quality control standards during prototype creation and the production process. Our engineers and technicians perform a battery of tests to ensure that our products meet the demands of today's drivers and our goal to be first in quality.

## INNOVATION

Known as the leader in innovation, United Pacific is dedicated to be the first to bring new and exciting products to the market. United Pacific's global expertise allows us to search the globe for new ideas and concepts. Not only do we search the globe for new products, United Pacific invest a significant amount of resources into our own research and development efforts. With the assistance of advance 3D scanning technology, our engineers and designers can acquire accurate and precise data in seconds.

The 3D data allows United Pacific to verify designs, perform quality assurance tests, and reverse engineer with unprecedented speed and accuracy. Digital inspection contributes to the early detection of shape problems, provides rapid feedback on design, and eliminates unnecessary work in downstream processes. Our rapid prototyping facility permits us to have a concept-to-shelf time of less than 5 months. In addition, United Pacific's 3D printing capabilities permit our designers to have physical models of their design concepts in hours. The physical models allow our designers and marketing staff to evaluate and test the viability of different design ideas. Our rapid prototyping facility allow United Pacific to compress design cycles, improve manufacturing planning, shorten concept-to-shelf time, most importantly, generate new and innovative products.

## DESIGN

Located near some of the nation's most progressive automotive design centers, United Pacific established the UP Design Studio in 2002 to consolidate our position as the design leader in the automotive industry. UP Design Studio utilizes the latest generation of computer aided design (CAD) and studio/graphic software. The design studio is equipped with the newest computers and rapid prototyping systems. In addition, UP Design Studio is staffed by graduates from the nation's most prestigious design colleges. Unlike our competitors, United Pacific's design and manufacturing capabilities mean that we carry more new and original items than our competitors. The establishment of the design studio will enable us to generate even more new products with significant shorter concept-to-shelf time. The reduction in development cost mean that we can develop products utilizing design based development processes. Design based product development allows United Pacific to create new product concepts based on designs incorporating driver demands and needs instead of economic considerations. United Pacific's emphasis on design distinguishes and positions us ahead of our competitors.

## WARRANTY

With LED (Light Emitting Diodes) rated at 100,000 hours of operation and solid-state construction, United Pacific's LED lights are extremely reliable and durable. Purchase with confidence, United Pacific offers a complete line of LED lighting products with extended or limited lifetime warranties. Please see the warranty policy page for more details.

## INVENTORY AND SHIPPING

United Pacific carries over 20,000 items in our California distribution center. No other company in the heavy duty trucking industry can match United Pacific in the variety and range of in-stock inventories. With an order fill rate of over 98.5%, United Pacific is the largest and most reliable supplier in the industry. Our shipping department ships 96.8% of all orders within 24 hours and 98.9% within 48 hours. United Pacific's vast inventory and prompt shipping has made United Pacific the only source for our customer's chrome and lighting needs.

## LEED ACCOMPLISHMENTS

### Sustainable Sites

- On-site bicycle storage, showers and changing areas for company employees.
- Preferred parking for low-emitting, fuel-efficient and carpool vehicles.
- Stormwater is infiltrated on-site and treated to remove contaminants to reduce environmental impact on local waterways.

### Water Efficiency

- In addition to using reclaimed water, drought-tolerant plants and a high-efficiency irrigation system were installed to reduce the use of potable water for irrigation by 100%.

### Energy and Atmosphere

- Efficient HVAC equipment and a lighting system with daylight controls reduces energy consumption by over 30%.
- Enhanced commission verifies that the building's energy and water-related systems are performing as intended by the initial design.

### Indoor Environmental Quality

- Building ventilation systems was designed to provide enhanced levels of fresh outside air to building occupants.
- Interior finishes (plants, sealants, adhesives, coatings, carpet systems and composite wood) were selected with low levels of volatile organic compounds (VOCs) to reduce indoor air contamination.

# TERMS & CONDITIONS / ORDERING GUIDELINES / FREIGHT

IMPORTANT: PLEASE REVIEW CAREFULLY

## New Accounts:

Initial minimum buy-in is \$2,000 (or to be determined by United Pacific Industries, UPI hereafter). All initial orders must be prepaid in advance by Cashier's Check or VISA/MC. All new/potential accounts must complete a UPI "New Customer Info/Credit Form" and follow the Dealer Qualification Instructions. Upon completion of the credit application, approved accounts will be assigned payment terms of NET 30 Days (from invoice date). Accounts denied a credit line will be required to prepay in advance by Cashier's Check or VISA/MC.

## PAYMENT TERMS

### Term Accounts:

Accounts with NET 30 Days terms are required to submit payment within the 30 days from the date of invoice. Acceptable forms of payment include checks, ACH (Automated Clearing House), or wire transfer.

A service charge of 1.5% per month will be imposed on invoices not paid within the 30 day term. Delinquent accounts will be required to pay Cash-In- Advance (CIA). Checks will be accepted but orders will not be released until the check is cleared by the bank. Past due invoices will delay current orders. Please check with UPI on your account status when placing an order.

### Credit Cards

Accounts denied credit terms may pay by Visa or MasterCard. Credit card will be charged upon shipment. Credit card payments will not be accepted once an order has been shipped. UPI does not accept American Express or Discover card.

### COD

A \$9.00 fee will be assessed per COD box for all FedEx/UPS COD shipments. Truck COD shipment fees are to be determined later by trucking company.

### Returned Checks:

A \$30 NSF (Non Sufficient Fund) fee will be assessed on each incidence a check is returned to UPI.

## ORDERING GUIDELINES

Placing Orders: New orders may be placed by any of the following methods

1. Fax: **888.986.5988**
2. E-mail: [antique@upauto.com](mailto:antique@upauto.com)
3. Telephone: In order to minimize errors, customers are encouraged to submit their orders by fax or email. Telephone orders should be limited to smaller orders such as add-ons to orders already submitted and/or fill-ins occurring between larger restocking orders.

### Changes to Orders:

Whenever possible, revisions to orders - additions or deletions of items - should also be submitted via fax or email to reduce the possibility of errors.

Additions/Deletion of items will only be accepted within 48 hours after the initial order date and/or before 12:00PM on the date of the shipment. Additions of items placed after the 48 hours time period will be considered a new order and adhere to a new order freight prepaid policy. Deletions of item cannot happen after the 48 hours time period and/or after 12:00PM on the date of the shipment. Please note additions and/or deletions of items will delay the shipment date.

### Canceling Orders:

Cancellation of orders must be submitted via fax or email within 24 hours of the order date. If the order has already shipped it will be the customers responsibility to return the order at the customers own expense. A restocking fee may apply, please see "Return" policy for further detail.

## Backorders:

Customers have the option of having their backorders shipped or canceled. UPI will notify customer as to availability of backorders and will be able to ship any backorder items customer still needs as part of their next stock order. UPI reserves the right to cancel backorders that are 6 months or older from the initial invoice date.

## Minimum Order:

A minimum order of \$50.00 is required. Orders below \$50.00 will be assessed a minimum order fee of \$10.00.

## Packaging:

A 10% service charge will be added to orders with special packaging or UPC barcoding requirements.

## Lead Times:

Standard lead time for all United Pacific orders is 1-3 business days from the receipt of the purchase order. Larger orders may require a lead time of up to 5 business days. Transit time of 3-5 business days must be considered when placing orders. UPI cannot be responsible for delays in shipment after an order leaves our warehouse. UPI will work to resolve delays with freight forwarding firms, however, delays do arise from time to time due to weather and unforeseen circumstances beyond UPI's control. Express order are exempted; please view Freight/Shipping Policy for further detail.

## Order Confirmation:

United Pacific will acknowledge receipt of orders by email/fax/ telephone within 1 business day of receipt. If confirmation is not received, please contact UPI to ensure your order was received.

## FREIGHT

### Prepaid Freight:

Stock orders between \$50 and \$999.99 (US Lower 48 States), **\$50 and \$2499.99 (Alaska and Hawaii)**, **\$50 and \$1499.99 (Canada)**, [all price net US\$], will be shipped FOB Long Beach, California. Stock orders of \$1,000 (US Lower 48 States), **\$2500 (Alaska and Hawaii)**, **\$1500 (Canada)**, [based on UPI current pricing], or more will be shipped Freight Prepaid Ground to a single location only. (See exception for Oversize Items\*). Express Air orders, Special Net Pricing orders, and Special Quote Pricing orders are excluded. United Pacific reserves the right to select the carrier of our choice. Customers may select the carrier of their choice at their own expense, negotiated rates and insurance. If customers elect to choose their own freight carrier, orders will be shipped via FREIGHT COLLECT. **Oversize Item Freight Policy** – Applies to 1932 Ford car & truck body shell assemblies, 1932 Ford car & truck body parts such as floor assembly, roof, door, fender, quarter panel, grille, bulk rail gutter, bulk roof tack strip, chassis & frame, wheels & tire, and any exceptionally large or heavy item.

1. Freight will be prepaid by United Pacific if the total order of all items exceeds \$4,000 (US Lower 48 States) or **\$5000 (Hawaii, Alaska and Canada)**, [all price net US\$]. There will not be additional charges for these items included on the order.
2. Freight will be prepaid by United Pacific if a customer orders a total of \$2,500 (US Lower 48 States) or **\$3500 (Hawaii, Alaska and Canada)**, [all price net US\$], of PB 379 fenders, 60" or longer exhaust, and/or 18"+ Longer Saddle Boxes only. If the order is below \$2,500 (US Lower 48 States) or **\$3500 (Hawaii, Alaska and Canada)**, United Pacific will add freight charges to the order for the oversize items.

## Will Call Orders:

Will Call orders can be picked up 2 - 4 hours after placing the order. Customers should always call ahead to confirm when order will be ready to pick up.

# SHIPPING POLICY / CLAIMS

IMPORTANT: PLEASE REVIEW CAREFULLY

## SHIPPING POLICY

### International Shipments:

Shipments to locations outside the continental United States will be shipped to the customer's shipping agent or broker within the continental United States in accordance with the US freight policy. International customers will be responsible for the duties and taxes of their respective country.

### Express Orders:

All express orders, such as Next Day, Second Day, 3 Day Service & Will Call, must be faxed/emailed. Order confirmation will be faxed to the customer for final approval. If confirmation is not received, please contact UPI to ensure your order was received. Customers are required to sign off on express orders and fax confirmation back to UPI. Cut off for express order is 12:00PM. Express orders received after 12:00PM may or may not ship the same day. Please call UPI to confirm projected shipping date or will call time.

Due to the high cost of express shipments, customer may request UPI to call to confirm freight charges. If customer does not request confirmation, UPI will ship the express order.

### Drop Shipments:

All drop shipment orders will be assessed a 5% processing fee. Drop shipment processing fee will be automatically added to the invoice without notice. All drop shipment orders must be faxed in. No freight allowance or prepaid freight will be permitted for any drop shipments, thus, all drop ship orders, regardless of order size, are FOB Long Beach, CA.

## CLAIMS

### General Policy:

All claims (Shortage, Mis-Shipped, Damage, Overage, Customer Error & Billing Error) must be submitted to UPI within 3 business days of the receipt of shipment. Claims submitted beyond 3 business days of the receipt of shipment will be voided by UPI.

On all shipments, the person who signs and receives the shipment is responsible for noting on the Bill of Lading, in writing, whether any boxes arrived damaged or shorted. Failure to do so will void all claim rights between all parties. UPI will have no recourse against the trucking company if customer does not note any damages or shortages on the Bill of Lading.

The customers receiving department must count and sign for the exact number of boxes received. Failure to follow the above instructions will void all claim rights between all parties.

### Shortages / Mis-Ships / Damages:

### Stock Return:

United Pacific Industries encourages all customers to regularly monitor the sales volume and stock level of their inventory items. As sales trends may slow the movement of specific items, our hope is that those items are featured as "close-out specials" as to minimize stock returns. We also understand that the customer, from time to time, may accumulate over-stock items and desire to return those. Therefore, we have adopted the following policy below.

#### NOTE:

- Items must have been purchased by the dealer requesting the stock return.
  - Items must have been purchased within the preceding 12 months.
  - Items that have been discontinued will not be considered for return.
1. Contact the United Pacific office for RMA number We have 2 acceptable methods for requesting the RMA:
