MISSION STATEMENT

Here at United Pacific, we are dedicated to providing today's drivers with innovative and exciting products that deliver exceptional performance and value. Because United Pacific's continuing success depends on our customer's satisfaction, we constantly push our designers and engineers to upgrade our facilities and processes in order to bring products of superior quality and reliability to the market. We at United Pacific promise to continue our passionate pursuit to be the first in

QUALITY, INNOVATION AND DESIGN.

QUALITY

With over 30 years of experience in the heavy duty trucking industry, United Pacific Industries understand the rigors and stresses that our products are subjected to on the road. It is our mission to provide our customers with products of superior quality and reliability. In achieving this goal, United Pacific only partners with manufacturing facilities that conforms to our quality control requirements and standards. Our manufacturing partners meet or exceed ISO-9001 requirements. In addition, United Pacific's manufacturing partners must be equipped on site to perform the following quality assurance tests:

AGING TEST

AIR TIGHT TEST

DUST TEST

FLUX TEST

PHOTOMETRIC TEST

PULL FORCE TEST

RAIN TEST

SALT SPRAY TEST

SHOCK TEST

TEMPERATURE TEST

HUMIDITY TEST

VIBRATION TEST

United Pacific's manufacturing partners must maintain a track record of consistent quality and low product failure rate. Furthermore, our internal quality control structure allows us to function as the final quality control station prior to shipping. With the assistance of 3D computer technology, United Pacific can adhere to strict quality control standards during prototype creation and the production process. Our engineers and technicians perform a battery of tests to ensure that our products meet the demands of today's drivers and our goal to be first in quality.

HOW TO ORDER

To order from United Pacific Industries, you must be an authorized dealer, distributor or OEM.

If you are not authorized to stock and sell United Pacific products, you must order through an authorized dealer. Please call 1 (310) 638-5988 for more information.

INNOVATION

Known as the leader in innovation, United Pacific is dedicated to be the first to bring new and exciting products to the market. United Pacific's global expertise allows us to search the globe for new ideas and concepts. Not only do we search the globe for new products, United Pacific invest a significant amount of resources into our own research and development efforts.

With the assistance of advance 3D scanning technology, our engineers and designers can acquire accurate and precise data in seconds. The 3D data allows United Pacific to verify designs, perform quality assurance tests, and reverse engineer with unprecedented speed and accuracy. Digital inspection contributes to the early detection of shape problems, provides rapid feedback on design, and eliminates unnecessary work in downstream processes. Our rapid prototyping facility permits us to have a concept-to-shelf time of less than 5 months.

In addition, United Pacific's 3D printing capabilities permit our designers to have physical models of their design concepts in hours. The physical models allow our designers and marketing staff to evaluate and test the viability of different design ideas. Our rapid prototyping facility allow United Pacific to compress design cycles, improve manufacturing planning, shorten concept-to-shelf time, most importantly, generate new and innovative products.

DESIGN

Located near some of the nation's most progressive automotive design centers, United Pacific established the UP Design Studio in 2002 to consolidate our position as the design leader in the heavy duty trucking industry. UP Design Studio utilizes the latest generation of computer aided design (CAD) and studio/graphic softwares. The design studio is equipped with the newest computers and rapid prototyping systems. In addition, UP Design Studio is staff by graduates from the nation's most prestigious design colleges.

Unlike our competitors, United Pacific's design and manufacturing capabilities mean that we carry more new and original items than our competitors. The establishment of the design studio will enable us to generate even more new products with significant shorter concept-to-shelf time. The reduction in development cost mean that we can develop products utilizing design based development processes. Design based product development allows United Pacific to create new product concepts base on designs incorporating driver demands and needs instead of economic considerations. United Pacific's emphasis on design distinguishes and positions us ahead of our competitors.

Light Emitting Diodes (LED)

Low voltage Operation

A low voltage device, LEDs draw minuscule amount of current from a vehicle's electrical system compare to incandescent devices. Low voltage draw protects and prolongs a vehicle's electrical system.

Instant On

LEDs light up in microseconds. Research conducted by University of Michigan Transportation Research Institute indicates that motorist respond quicker to LEDs than incandescent lights.

Rugged & Durable

Being a solid-state device, LEDs contain no moving parts and filaments to break. Produced with similar technologies as the latest microprocessor, LEDs provide unparalleled reliability and dependability.

Cold Start Capacity

Unlike many light sources in use today, LEDs do not require any special drivers or equipment to operate in extreme cold temperature. Solid State technology allows LEDs to function in inhospitable environments, down to -40°.

WARRANTY

With LEDs (Light Emitting Diodes) rated at 100,000 hour of operation and solid-state construction, United Pacific's LED lights are extremely reliable and durable. United Pacific offers a 10 Year Limited Warranty on most LED lights. Economy LED lights are only covered by a 2 Year Limited Warranty. All LED accessory lights are covered by a 6 Month Limited Warranty.

INVENTORY & SHIPPING

With over \$5.8 million in inventory, United Pacific carries over 8,000 items in our California distribution center. No other company in the heavy duty trucking industry can match United Pacific in the variety and range of in-stock inventories. With an order fill rate of over 98.5%, United Pacific is the largest and most reliable supplier in the industry. Our shipping department ships 96.8% of all orders within 24 hours and 98.9% within 48 hours. United Pacific's vast inventory and prompt shipping has made United Pacific the only source for our customer's chrome and lighting needs.

ASSEMBLED IN U.S.A

United Pacific strives to provide today's drivers with innovative and exciting products that deliver exceptional performance and value. With our international background and expertise, we search the globe for the best and most reliable products. However, as an American company, we believe and support the American way of life. Look for the "Assembled in the USA" label on many of our products. Although the components are manufactured overseas, the products, bearing the "Assembled in the USA" labels, are hand assembled with pride in the United States.

WEBSITE

United Pacific strives constantly to improve our existing facilities and procedures. As a part of our continuous improvement process, United Pacific will soon be updating our website. The new website will be even more comprehensive and in-depth. In addition, we will incorporate an online ordering system that will enable our customer to order and receive shipping updates online. The online ordering system will only be available to authorized retailers. The new website is just another example of United Pacific's ceaseless pursuit to be our customer's only source for their chrome and lighting needs.

Hard at work for our customers

UNITED PACIFIC SHANGHAI

In 2005, United Pacific opened United Pacific Shanghai. Staffed with 3 quality assessment engineers and 2 logistic support personnel, United Pacific Shanghai serves as United Pacific's quality control and logistics office in China. Located in the commercial center of China, the Shanghai office provides United Pacific with unparalleled access to local markets and suppliers. The open access translates into faster product development and more rigorous quality control standards. The opening of the Shanghai office means that there will be a United Pacific employee hard at work for our customers 24 hours a day in different parts of the world.

UNITED PACIFIC CHROME PLATING

United Pacific's commitment to quality led United Pacific to invest in its own chrome plating facility. With one chrome plating line fully operational and another in construction, the chrome plating plant will ensure that United Pacific products meet our strict quality control standards. Better products mean better sales for United Pacific customers.

Hard at work for our customers

UNITED PACIFIC JOINT VENTURE

Here at United Pacific, collaboration is at the heart of our business. We partner with manufacturers that are as passionate about well-made and well-designed products as we are. In 2006, United Pacific entered into the ultimate collaboration. United Pacific formed a joint venture with China's largest manufacturer of heavy duty trucking products. The joint venture currently supplies all major American and Canadian aftermarket distributors (including United Pacific competitors) with stainless steel, chrome, and exhaust products. Because of our collaborative approach to product development and manufacturing, we're able to eliminate undue inefficiencies and cost. As a result, United Pacific customers benefit from unique products that are offered at the best possible price and the highest possible quality.

TERMS & CONDITIONS

IMPORTANT: PLEASE REVIEW CAREFULLY

INITIAL ORDERS

Initial minimum buy-in is \$2,000 (or to be determined by UPI). All initial orders must be prepaid in advance by Cashier's Check or VISA/MC.

NEW CUSTOMER INQUIRIES

All new/potential customers must complete UPI "New Customer Info/Credit Form" and follow the Dealer Qualification Instructions.

CREDIT TERMS

Upon completion of the credit application, approved accounts will be NET 30 DAYS (from invoice date). A service charge of 1.5% per month will be imposed on invoices not paid within the 30 day term. Account denied credit will be payment in advance or COD (with Cashier's Check or VISA/MC.) Past-due invoices will delay orders. Please check with UPI on your account status when ordering.

NSF CHARGES

A \$30 fee will be assessed on each incidence of bounced check.

MINIMUM ORDERS (AFTER INITIAL P.O.)

Minimum order is \$50.00. A \$10.00 handling charge will be automatically added to the invoice on all orders less than minimum order requirement.

SHIPPING

UPI reserves the exclusive right to determine the form and method of shipping. We do not ship via U.S. Postal.

DROP SHIPMENTS

There will be a \$10.00 handling service charge on all drop shipment orders. Drop shipment service charge will be added automatically to the invoice without notice. All drop shipment orders must be faxed in. There will be no freight allowance/prepaid for any drop shipments.

FREIGHT POLICY

Orders between \$50.00 and \$999.99 will be shipped F.O.B. Carson, California. Orders of \$1,000 (based on UPI current pricing) or more will be shipped Freight Prepaid Ground to continental United States customers only. Express Air orders, Special Net Pricing orders, and Special Quote Pricing orders excluded. Freight carrier will be selected at UPI's sole discretion. Customers may request their own choice of carrier at their own expense, negotiated rates & insurance. If customers elect to choose their own carrier, order will be shipped Freight Collect.

ORDERS

UPI strongly recommends faxing & confirming all orders (especially Express Air Shipments), add-ons, cancellations, changes, etc. UPI will not be held liable for any discrepancies from verbal orders. Returns resulting from verbal discrepancies will also incur a 20% restock charge.

EXPRESS ORDERS

ALL Next Day, 2nd Day, 3rd Day & Will-Call orders may or may not be processed on the ordering date. Customers must confirm with UPI representatives on projected shipping date or will-call time.

PACKAGING

A 10% service charge will be added to orders with special packaging or UPC bar-coding requirements.

INNER BOX / MASTER CTN QTYs

In our new Price List, items with "****" denotes "Sold in Inner Box Quantity Only". Items with "*****" denotes "Sold in Master Carton Quantity Only". Purchase Order quantities will be changed without notice.

COD FEES

A \$9.00 fee will be accessed per COD box for all FedEx/UPS COD shipments. Truck COD shipment fees are to be determined later by trucking company.

BACKORDERS

UPI reserves the right to cancel backorders that are 6 month or older from the initial invoice date.

RETURNS / CLAIMS / WARRANTY POLICY

IMPORTANT: PLEASE REVIEW CAREFULLY

RETURNS

We are offering our **NO Hassle Warranty Returns** to all customers.

All returns must be authorized by United Pacific Industries. All return requests must be faxed or e-mailed (returns@uapac.com). A RMA # (Return Merchandise Authorization Number) will be provided. Returns without RMA # will be refused.

When asking for RMA, you will be required to provide the following information: Your Business Name, Contact Name, a List of the Defective Items, and Special Instructions you have for us. You are welcome to use the **RMA Claim Form** to facilitate the process.

Once we have validated the warranty item, a RMA confirmation listing the items and cost will be faxed to the customer within 3 business days. United Pacific will process the credit to your account within 30 days.

There will be no need to return the warranty product to us.

However, from time to time, United Pacific may require some warranty products to be shipped back so we may analyze the cause of the failure. All warranty products that are required to be shipped back will be freight prepaid by United Pacific.

All overstock items must have been purchased by the dealer requesting the stock return. All overstock items must have been purchased within the preceding 12 months. Items that have been discontinued will not be considered for return. Stock returns may be requested throughout the year and are subject to a maximum of 5% of prior year annual purchases.

Contact United Pacific office for Overstock RMA#. You will be required to provide the following information: Your Business Name, Contact Name, and a List of All Overstock Items.

All overstock/non-defective returns must be marked as follows: **ATTN: Overstock Return**. RMA # must also be clearly marked on the box. Please place the packing slip inside the box.

Your claim will be reviewed within 3 business days and you will be contact by your sales representative who will discuss solutions to liquidate these overstock items. In the event United Pacific and the customer agree to a credit in lieu of returning the items, this credit will be issued within 10 business days.

All overstock items for RMA approval must not have any retail/price sticker on exterior packaging or they will be returned to you and no credit given. Items must be in good condition with original packaging intact or they will be returned to you and no credit given. Allow up to 30 days for the credit to be issued from the time the returned items are received.

All overstock returns must be **Freight Prepaid** by customers (no exceptions.) Returns are subject to inspection, quantity recount, and a 20% handling charge. UPI does not pay or reimburse any return freight charges.

CLAIMS:

The person receiving the packages must count and sign for exact

number of boxes received. **Do not sign for boxes received by pallet or "1 SWP-STC" number of pieces.** Receiver must count and sign for exact number of boxes received. Failure to follow the above instructions will void all claim rights between all parties.

All shortages or Initial Damage Claims must be made in writing (via fax or e-mail) within 3 days of receiving the shipment. Otherwise, claim rights will be voided.

On all shipments, the person who signs and receives the shipment is responsible for noting on the delivery Bill of Lading, in writing, if any boxes arrived damaged or shortages occurred. Failure to do so will void all claim rights between all parties. We will have no recourse against the delivery trucking company.

For miss-shipped items or damaged items, you are required to provide the following information: Your Business Name, Contact Name, United Pacific Sales Order Number, Date the Order was Received, A List of Items that were miss-shipped or damaged, and Special Instructions you have for us. United Pacific will send a return label so you can ship the items back. Once we received the miss-shipped/damaged item(s), a credit will be issued to your account on the next billing cycle.

WARRANTY:

Please refer to page 61-62 for warranty information on LED Lights.

A limited 12 month warranty (from invoice date) against defects in material or workmanship on most incandescent lighting products.

A limited 6 month warranty (from invoice date) against defects in material or workmanship on most chrome products.

A limited 12 month warranty (from invoice date) on most stainless and aluminum products.

Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way or installed contrary to normal installation and usage. In addition, UPI can not be held liable for damages caused by road hazards, accidents, misuse, neglect, abuse or corrosive environments including acid washes and highway snow/ice chemicals which can cause discoloration and corrosion in stainless, chrome plating, and lighting products.

The United Pacific Warranty is not transferable and applies to the original installation and purchaser only. In no event shall United Pacific Industries be liable for incidental or consequential damages, nor shall United Pacific Industries' liability for any claims or damages arising out of or connected with the United Pacific Warranty exceed the purchase price of products. There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. United Pacific Industries reserve the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

UPI reserves the right to credit returned merchandise at the initial purchase price or at the current selling price.

10 YEAR LED LIMITED WARRANTY

United Pacific Industries extend a Limited 10 Year Warranty to the original purchaser that United Pacific LED lights are free from defects in workmanship and/or materials only. United Pacific Industries will only replace the LED lights to the original consumer/purchaser if the light fails due to defects in workmanship and/or material only. The Limited 10 Year Warranty does not apply to severe applications, such as, buses, construction equipment, and off road vehicles. These applications are examples only and are not inclusive of all excluded applications. The use of chemicals, cleaners, and/or solvents that are incompatible with polycarbonate will result in softening, crazing, and/or cracking of the light. United Pacific Industries' 10 Year Limited Warranty does not extend to damages associated with incompatible chemicals, cleaners, and/or solvents. The Limited 10 Year Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way, or installed contrary to normal

installation and usage. Any violation of these conditions will void this 10 year warranty. The 10 Year Limited Warranty is not transferable and applies to the original installation only. In no event shall United Pacific Industries be liable for incidental or consequential damages, nor shall United Pacific Industries' liability for any claims or damages arising out of or connected with the 10 Year Limited Warranty exceed the purchase price of products. There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. United Pacific Industries reserve the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

2 YEAR LED LIMITED WARRANTY

United Pacific Industries extend a Limited 2 Year Warranty to the original purchaser that United Pacific LED lights are free from defects in workmanship and/or materials only. United Pacific Industries will only replace the LED lights to the original consumer/purchaser if the light fails due to defects in workmanship and/or material only. The Limited 2 Year Warranty does not apply to severe applications, such as, buses, construction equipment, and off road vehicles. These applications are examples only and are not inclusive of all excluded applications. The use of chemicals, cleaners, and/or solvents that are incompatible with polycarbonate will result in softening, crazing, and/or cracking of the light. United Pacific Industries' 2 Year Limited Warranty does not extend to damages associated with incompatible chemicals, cleaners, and/or solvents. The Limited 2 Year Warranty does not apply to merchandise that has been drilled,

cut, welded, modified in any way, or installed contrary to normal installation and usage. Any violation of these conditions will void this 2 Year warranty. The 2 Year Limited Warranty is not transferable and applies to the original installation only. In no event shall United Pacific Industries be liable for incidental or consequential damages, nor shall United Pacific Industries' liability for any claims or damages arising out of or connected with the 2 Year Limited Warranty exceed the purchase price of products. There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. United Pacific Industries reserve the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.

6 MONTH LED LIMITED WARRANTY

United Pacific Industries extend a Limited 6 Month Warranty to the original purchaser that United Pacific LED lights are free from defects in workmanship and/or materials only. United Pacific Industries will only replace the LED lights to the original consumer/purchaser if the light fails due to defects in workmanship and/or material only. The Limited 6 Month Warranty does not apply to severe applications, such as, buses, construction equipment, and off road vehicles. These applications are example only and are not inclusive of all excluded applications. The use of chemicals, cleaners, and/or solvents that are incompatible with polycarbonate will result in softening, crazing, and/or cracking of the light. United Pacific Industries' 6 Month Limited Warranty does not extend to damages associated with incompatible chemicals, cleaners, and/or solvents. The Limited 6 Month Warranty does not apply to merchandise that has been drilled, cut, welded, modified in any way, or installed contrary to normal installation and usage. Any violation of these

conditions will void this 6 Month warranty.

The 6 Month Limited Warranty is not transferable and applies to the original installation only. In no event shall United Pacific Industries be liable for incidental or consequential damages, nor shall United Pacific Industries' liability for any claims or damages arising out of or connected with the 6 Month Limited Warranty exceed the purchase price of products. There are no warranties, expressed or implied (including any warranty of merchantability or fitness) that extend beyond this warranty. The warranty does not apply to costs associated with the loss of use of the product, loss of time, inconvenience, commercial loss, incidental or consequential damages. United Pacific Industries reserve the right to alter the designs of products without assuming any obligation to modify previously manufactured products and will only replace warranted products with redesigned products.
